Spread the payments and reduce the cost of your pet care now!

Please complete the Direct Debit form and application form and hand it to a member of staff. We will require your bank account details. One of our team will be happy to help and answer any queries you may have.

Our monthly Direct Debit payment scheme spreads the cost throughout the year so you can rely on constant care. It couldn’t be simpler!

As well as spreading the cost of treatment, VIP Pet Club members will receive the added benefit of discounts on many other items within the practice, such as neutering, dentistry, food and retail shop purchases.

New clients may be added to pay for the initial treatment until the first Direct Debit payment clears. After such time the initial payment will be refunded.

Prevention is better than cure!

• Our practice membership scheme provides all the support you need to ensure your pet’s long and happy life, and is easy to manage with our cost effective Direct Debit scheme. Annual vaccinations, flea and worming treatments are included for cats and dogs, and rabbits benefit from twice yearly health checks with vaccinations and fly strike prevention.

• Our friendly and caring staff are here for you. When you bring your pet for its vaccination, a health check allows us to carefully monitor the health of your pets as they age and to offer advice, support and treatment planning which may prevent problems arising in the future.

• Our monthly Direct Debit payment scheme spreads the cost throughout the year so you can rely on constant care. It couldn’t be simpler!
